ORGANIC LINSEED CRACKER
ORGANIC FRUIT MIX PROTEIN BAR

Schalk Mühle Genussmanufaktur Ilz, Steiermark

**Austrian Organic Delights:
100% Natural, Vegan, Fair & CO₂-Neutral**

For generations, Schalk Mühle has focused on strengthening regional sustainable production and preserving traditional manufacturing methods while embracing innovation. The foundation of their high-quality organic products lies in carefully selected seeds from Austria, cultivated in collaboration with around 200 Austrian contract farmers and processed CO₂-neutrally at their family-run facility in Styria.

In addition to producing the renowned Styrian Pumpkin Seed Oil P.G.I., a variety of native oils, seeds, pestos, and other delicacies, the range now prominently features natural plant-based protein powders and protein products. Particularly popular are their palm oil-free, vegan organic crackers and organic protein bars without added sugar—perfect for healthy snacking.

Experience regionality, quality, and sustainability in every bite!
